

Oakdale Obstetrics & Gynecology has been “Expecting” You!!

We have been providing a full range of OBGYN services to the women of Maple Grove and surrounding communities for 55 years, longer than anyone else! So we've been “expecting” you!

We have exceptional board certified doctors and women's health nurse practitioners; all of whom keep current with breaking research and technology.

We excel in conventional and high risk pregnancies. Our obstetricians care about your delivery experience. Our goal is to exceed your expectations safely and create memories that will last a lifetime!

We also provide a full range of gynecological services including:

- Annual Exams • Birth Control • Breast Screening
- Infertility • Menopause Clinics • Urinary Leakage
- Minimally Invasive Surgical and Office Procedures
- Osteoporosis • Certified Ultrasound Services • Lab Services.

Oakdale Obstetrics and Gynecology strives to be the best place for women's health care. Our mission is to deliver excellent, innovative, compassionate care with integrity and mutual respect. We are also committed to the education and safety of women.

We are proudly taking appointments at 763-587-7050. You can also visit our website at www.oakdaleobgyn.com to learn more about us. We “expect” to see you soon!!
